LUXURY LIFESTYLE CREATOR . DUBAI, UAE

Lawyer. Creator. Dubai's luxury lifestyle voice.

Aastha Chopra (@aastha_sochic) is a Dubai-based luxury lifestyle and fashion creator with 51,521 followers across the UAE and globally. Trained as a lawyer, she brings the same precision and intentionality to her content as she did to the courtroom — every frame is crafted to perform, not just to look good.

Her audience is affluent, style-conscious, and deeply engaged. She only works with brands she genuinely uses — which is why her sponsored content consistently outperforms organic benchmarks. If your brand belongs in an elevated world, Aastha is the right voice.
